**DFTV**  
In-Home Streaming • Live TV

Now you can watch all your favorite live TV with DFTV. Our in-home streaming service brings you the convenience of streaming, with features of traditional cable you don't want to lose. With DFTV you get:

- Cloud DVR** All of our DFTV Packages come with 50GB of cloud DVR storage so you can save your favorite shows and movies for later. Additional storage up to 1TB is available as an add-on.
- Easy to navigate channel guide** Our easy to use guide is designed to be familiar for anyone used to cable, with the feature and functions you've come to expect from a streaming service.
- Local & national networks.** With packages that include 186+ channels, you don't have to sacrifice your favorite networks to save.
- Low cost, space saving set-top box.** Unlike the equipment provided by the cable company, our DFTV set-top box is compact and space saving. Plus it costs half the price of their box.
- Bundle and save.** Bundle with DFT Lightspeed Fiber Internet to save money and reduce your number of bills.
