

**2023-24**

**Northern  
Chautauqua**  
COMMUNITY DIRECTORY

**PROVIDED BY:**

**CELEBRATING 125 YEARS**

To our friends and customers,

Change is something that we all must experience. With change comes growth and new ways of thinking and acting, which can lead to bigger and better things for all of us. Over the years, we have all witnessed changes in our world, society, businesses, families, and in our personal lives. Every facet of our lives includes change.

Over our 125-year history, DFT Communications has also seen many changes. Changes in our business, our industry, our customer base and just in technology in general. We have grown and adapted to those changes, which has helped us to grow in the products and services we continue to offer to our residents and businesses in Chautauqua County and beyond. Because of change, the future always looks bright.

DFT Communications has offered a printed telephone directory filled with valuable information, advertisers, local phone numbers and government information for many years. As we entered our 125th anniversary year, we thought hard about ways to continue bringing DFT Communications into the future by taking measures to eliminate print waste and go green. One of the ways we have done this is by discontinuing the publication and delivery of physical copies of the Northern Chautauqua Community Directory. Over the years, we and others in our industry have observed decreased demand for printed directories as modern search tools like Google and Bing make finding contact information for businesses and individuals more accessible than ever. As such, we have moved our directory to a digital format, which will be available at <https://dftcommunications.com/telephone-directory/>. Customers who wish can also request a printed copy be mailed to their address from this webpage, and DFT will do so free of charge. While this is yet another change, we feel it is a positive change for our future and for future generations.

Yes, the future is bright, and we thank all our customers who have been part of our 125-year journey. Your confidence and loyalty are genuinely appreciated, as is your continued business!

Here's to the future!

Sincerest Thanks,

Mark R. Maytum  
President and COO

Kurt W. Maytum  
President and CTO

### EMPLOYEE IDENTIFICATION

For your protection, every DFT employee who visits a customer's location carries an official employee identification card. It includes the employee's photograph and name along with a red, blue and yellow DFT Communications logo.

### TARIFFS

The Telephone Companies are regulated by the New York State Department of Public Service. The regulated services are documented; showing rates, rules and regulations of telephone service. These tariffs are available for public inspection at our offices located at 40 Temple Street, Fredonia, NY 14063.

### CALL BEFORE YOU DIG - 811

It's the law, call before you dig. Give at least two full working days notice.

Contact all utilities through the Underground Facilities Protective Organization at 811 or 1-800-962-7962. For more information about Dig Safely New York, go to [www.digsafelynewyork.com](http://www.digsafelynewyork.com) or call 315-437-7394.

### HOW TO REACH THE NEW YORK STATE DEPARTMENT OF PUBLIC SERVICE

The Department of Public Service provides toll-free telephone numbers for customers to call for information or complaints about their utility service. These numbers are listed below with information on what service is provided at each number.

#### HOTLINE-1-800-342-3355

If you have been threatened with a shutoff of your gas or electric service, you can call this number. A Customer Service Representative will help you resolve the problem and work out a payment agreement with your utility so that your service can be continued.

#### HELPLINE - 1-800-342-3377

If you have a complaint about your utility service or a billing problem that cannot be resolved with the utility company, you can call the number and a Customer Service Representative will be available to help. We ask that you try to resolve the complaint with your utility company before contacting the Public Service Commission. If you would like to send your complaint by mail, the address is: New York State Department of Public Service · Consumer Assistance Program Area - 4th Floor · 3 Empire State Plaza · Albany, NY 12223.

## NEW RESIDENTIAL SERVICE

To place an order, you will need to supply the following information:

- Previous telephone service, employment and credit information.
- A Credit Check may be required
- Location of telephone service. It is helpful if you know the name of the previous owner or tenant. You must have the exact number of the residence for the E-911 database.
- Is a premises visit required to install equipment or connect a line beyond the Network Interface Device (NID)? If necessary, what arrangements can be made to access the premises?
- The number of outlets that you will need.
- Will telephones be leased or will you provide our own equipment?
- Type of telephone service you desire.
- How would you like to be listed in the telephone directory? You may request a non-published number(s).
- Select a regional and long distance provider.
- Please contact our office at least one week in advance to guarantee the date you would like service installed.

## LIFELINE TELEPHONE SERVICE PROGRAM

**What is Lifeline Telephone Service?** Lifeline service is intended to assist in making telephone service affordable for all residential customers: the following summary describes how the program works. A Lifeline customer's bill is lowered by an amount equal to the Federal Communications Commission-ordered Interstate Access Charge; currently \$11.82, which includes a reduction in the rate for basic local residential exchange service for an eligible Dunkirk and Fredonia Telephone Customer. For an eligible Cassadaga Telephone customer, currently \$7.70; following the same criteria.

A Lifeline customer's broadband bill is currently lowered by \$9.25. The customer must subscribe to 25/3 download/upload speeds, or the highest available in that service area which must be at least 4/1 download/upload.

**Who is eligible for Lifeline Discounts?** In order to be eligible for the discount, the applicant must meet set income criteria. In New York, individuals must be Income Eligible to receive assistance through one of eight programs: Medicaid, Family Assistance, Safety Net Assistance, Supplemental Security Income, Home Energy Assistance Program, Food Stamps, Veteran's Disability Pension, or Surviving Spouse Pension.

**How do I apply for the discount?** Please advise our Customer Service Representative that you are currently receiving one of the approved assistance programs. Also, you will be asked to certify that you are not receiving an existing Lifeline credit from any source. Once your application is approved for Lifeline service, we will make the necessary changes to your account.

**Do any restrictions apply?** Please be aware that your telephone company will periodically confirm that your Lifeline discount

eligibility is still in effect. If you are no longer eligible, you will be notified that your discount will be discontinued.

## VACATION RATE

If you have more than one residence, or frequently spend extended periods of time away, you might wish to put your telephone on "Vacation Rate". With this service your monthly charges are reduced, while your telephone number, directory listings and service records are maintained. A service order charge and a line charge apply when you begin full working service. Contact our Customer Service Center for information on how vacation rate might be helpful to you. It is the customer's responsibility to reinstate and cancel services with their regional and long distance companies.

## NEW BUSINESS SERVICE

To place your order, you will need to supply the following information:

- Complete street address, if different from the location of the service.
- Have in mind some idea of the needs you want your business telephone service to fulfill. Our sales and customer service representatives can be of invaluable assistance to suggest appropriate and economical solutions.
- Consider how you want your directory listing to appear. You may desire an additional listing, bold listing, yellow page or Internet yellow page advertising.
- Provide previous business telephone service information, if any.
- We will need basic information about the type of business you operate (corporation, partnership, sales, service, retail, wholesale, etc.), the size of your organization, remote locations to be served and estimated usage of your business telephone by employees, customers, suppliers, etc, to help us design the best solution for your operation.
- Select a regional and long distance provider.
- To receive federal and/or state sales tax exemption, you must provide our company with your applicable tax exemption certificates.
- Information given to your service representative in establishing business service is not given out to other individuals or businesses, except as allowed or required by law.

## VANITY NUMBERS

Vanity telephone numbers are preferential numbers provided at the customer's request. Customers may request a specific number when ordering new telephone service or changing existing service. Vanity numbers are furnished on an availability basis. The first six numbers are searched free of charge. Each additional six numbers searched will be assessed a fee. The directory will only list the numeric version of the number. A monthly fee is charged for a vanity number.

## DIRECTORY YELLOW PAGE AND INTERNET

### YELLOW PAGE ADVERTISING AND LISTINGS

Every eligible business receives a free directory yellow page listing under the category of your choice. Let your customers know all about your business through the yellow pages. Internet yellow pages are available for you to reach your customers. For information, please call our Customer Service Center at 716-673-3000.

### A SECURITY DEPOSIT MAY BE REQUIRED

A deposit may be required to establish telephone service. Deposits are held as security and will earn simple interest per year. Residential deposits are held for 1 year. Deposits may be returned if payment history meets qualifications. Business deposits are held for 3 years. Deposits are reviewed annually.

### A Credit Check may be required

### PROMPT PAYMENTS MEANS GOOD CREDIT

Your credit standing is determined by your promptness in paying your telephone bill. Payments should be received at the payment location by the due date on your bill. Please include your payment slip.

### NO CHARGE TO DISCONNECT SERVICE

There is no charge to disconnect service. Call your Customer Service Representative to disconnect your telephone service.

### CUSTOMER OWNED TELEPHONE EQUIPMENT

Under a Federal Communications Commission's order, you may supply your own telephone or telephone equipment and connect it directly to the nationwide telephone network. The equipment must be approved by the FCC and you are responsible for its proper connection, maintenance and repair. A maintenance visit charge applies per visit to a consumer's premises where customer owned equipment causes a service difficulty or trouble.

### INSTALLATION OR CHANGE IN SERVICE CHARGE

One-time charges to install or change your service may vary, depending on the type of work that is required.

### SERVICE CHARGE

You are charged for the processing of your order when you install or make changes in telephone service.

### LINE CONNECTION CHARGE

This charge is for the work required to connect your line to our switching office.

### WORK ORDER CHARGE

This charge is to set up equipment, or have an installer provide new or additional inside wire at your location. You may contact our Customer Service Center and we will be glad to discuss any of these charges.

## BILLING INFORMATION

### PAYMENT APPLICATION PROCESS

As a telephone customer, you are responsible for making telephone

service payments in full and on time each month. To avoid termination of your residential service for non-payment, you may call to inquire about special payment arrangements. The New York State Public Service Commission (PSC) has ordered telephone companies to apply partial payments for residential telephone service as follows. If your bill is not paid in full, your partial payment will be applied by the following classifications of charges to cover the cost of your services. These classifications were created to assist customers from losing their telecommunications services, if their bill is not paid in full.

1. Local/Basic Service  
This includes local service and service installation charges.
2. Local/Non Basic Service  
An example of this type of service would be enhanced calling features, such as Call Waiting or Caller ID.
3. Regional Toll  
Regional toll calls are long distance telephone calls within your regional calling area.
4. Other Toll  
Any long distance calls outside your regional calling area.
5. Non Regulated Service  
This type of service may include leased phones and wire maintenance.

Keeping your telephone service working is very important to DFT; we will make every effort to work with you in the event you cannot pay your entire telephone bill.

Partial payments received up to 14 days after the bill is printed will be applied to your account in the following order:

Past Due #1, #2, #3, #4, #5, Current #6, #7, #8, #9, #10.

Partial payments received 15 or more days after the bill is printed will be applied in the following order:

Past Due #1, Current #2, Past Due #3, Current #4, Past Due #5, etc.

## SPECIAL PROTECTIONS

### CUSTOMER PROPRIETARY NETWORK INFORMATION (CPNI):

Effective October 21, 2002, the Federal Communications Commission ("FCC") has implemented rules prohibiting telephone companies from using CPNI for purposes other than providing the telecommunications related services from which the CPNI is obtained, unless the customer consents to its use for other purposes.

### What is CPNI?

Customer Proprietary Network Information ("CPNI") is "customer information" that can be derived by the telephone company from a customer's use of the telephone service. The information may pertain to service quantity, type, technical configuration and destination. Examples of CPNI include customer spending information; call detail, access type and calling plan information.

DFT will not share CPNI information outside the DFT family of communications-related companies. As a customer of DFT, you have

a right and we have the duty to protect the confidentiality of your CPNI. DFT Companies may use CPNI to market telecommunications-related services, including; Dunkirk & Fredonia Telephone Co., Cassadaga Telephone Corp., DFT Select One, DFT Security Services Inc. and Netsync Internet Services, to the extent of offering new or enhanced telecommunications services.

**Customers may elect to “Opt-Out”**

“Opt-Out” is defined as the election by a customer to restrict the use of CPNI by DFT Communications related affiliate entities, third-party agents or joint venture partners.

As a DFT customer, you always have the right to “Opt-Out” from use of your CPNI outside of your service provider. You may “Opt-Out” by contacting DFT Customer Service during our business day at 716-673-3000 and 483-8000 or after hours at our repair number 716-673-3011 or 483-8000. Your election to “Opt-Out” will remain valid until you notify us in writing.

DFT feels that the proper use of CPNI will improve our ability to provide you with the products that best suit your needs. Customers that have elected to “Opt-Out” of the availability of CPNI will not affect the service(s) you are presently receiving. Your election may mean that you will miss out on future services and discounts of DFT affiliates.

**TELECOMMUNICATIONS SERVICE PRIORITY (TSP) PROGRAM**

Are you an organization, federal government, state government, local government, private industry, or foreign government that has telecommunications services that support a National Security and Emergency Preparedness (NS/EP) mission? If the answer is “yes” to any of the above, you may be eligible to participate in the TSP Program.

**What is the TSP program?** It is a Federal program developed to identify and prioritize telecommunications services that support NS/EP missions.

**What does TSP status provide?** Dunkirk & Fredonia Telephone Co. and Cassadaga Telephone Corp. give priority response to customers with TSP authorizations when they request telephone service installations and restorations.

**What kinds of services are eligible for TSP status?** Telecommunications services that are used to maintain a state of readiness or respond to and manage any event, or crisis, which causes or could cause injury or harm to the population, damage or loss to property, or degrades or threatens the NS/EP posture of the United States are eligible.

Dunkirk & Fredonia Telephone Co., Cassadaga Telephone Corp. and DFT Local Service Corporation. **CANNOT** determine your eligibility for this service.

**HOW DO I ENROLL?**

By filling out an online application and, if you are not a Federal entity, by having your Federal sponsor approve your application.

- 911 call centers (FCC is your sponsor)
- Police, Fire, EMS (The National Communications System is your

sponsor)

- Healthcare Sector (the U.S. Department of Health and Human Services is your sponsor)
- All others (contact the FCC or the National Communications System)

In your application, you will need to designate those lines meeting national security and emergency preparedness requirements. If your lines qualify, you will receive an authorization code for each line. You then provide those codes to your telecommunications service provider who will complete the process.

**WHO DO I CONTACT FOR HELP?**

DHS Priority Telecommunications Service Center

Telephone: toll free at.....866-627-2255  
 or.....703-676-2255

**DIRECTORY LISTINGS PROTECTIONS FOR DOMESTIC VIOLENCE VICTIMS**

The Dunkirk and Fredonia Telephone Company and Cassadaga Telephone Corporation have a new program designed for victims of domestic violence that are concerned about their directory listing information. If you would like more information concerning the directory listing protections we now offer, please call our Customer Service Center at 673-3000.

**TELEMARKETING (DO NOT CALL):**

The FCC’s Telephone Consumer Protection Act of 1991 (TCPA), in conjunction with the Federal Trade Commission (FTC) has established a National Do-Not -Call Registry for consumers who wish to avoid telemarketing calls. The FTC will administer the National Do-Not-Call registry, but enforcement will be coordinated between the two agencies.

New York has adopted the National Do-Not-Call Registry in place of its existing Do-Not-Call Registry. Consumers in New York who already registered with the state list need not re-register with the national list.

New York consumers who want to place their home or mobile phone numbers on the national registry can do so online at the National site (<http://www.donotcall.gov>) or, by calling toll free to register at 1-888-382-1222.

The National Do-Not-Call Registry will not prevent all unwanted calls. It will not prevent calls from organizations with which the consumer has established a business relationship; calls for which the consumer has given prior written consent; calls which are not commercial or do not include unsolicited advertisements; and calls by or on behalf of tax-exempt non-profit organizations as all of the

above are exempt from the regulation.

The FCC requires telemarketers to transmit Caller ID information and to unblock their numbers; and requires telemarketers to ensure that predictive dialers abandon no more than three percent of all calls placed and answered by a person.

**SPECIAL NEEDS**

**NEW YORK RELAY SERVICE – 711**

The New York Relay Service is used by Text (TTY) and Voice consumers to communicate. The Relay transmits conversations between people who use text telephone and people who use voice telephones. When you call the New York Relay, a specially trained operator makes the connection between two callers and facilitates the call.

**Facts about the New York Relay Service:**

- Relay service permits calls between persons with Hearing and Speech disabilities and other telephone users.
- Each call is handled in strict confidence.
- The Relay Operator has been trained to help conversations flow accurately and easily.
- There is no limit on the number of times you may use the service, and there is no cost.
- The service is available 24 hours a day, seven days a week. Local calls using the New York Relay will be completed at no charge when calling from a pay phone. Toll calls using a calling card can be made from pay telephones with charges being the same or less than if paid by coin. Pre-paid cards can also be used (check with your card provider regarding costs).
- Call ID on Relay Calls: If you subscribe to Caller ID service, you will see on your Call ID box the number and, if available, the name of the person calling you through the NY Relay. Similarly, if you call someone who subscribes to Caller ID service using NY Relay, your telephone number and if available, your name will show on the called party's Call ID box. Caller ID on Relay maintains the caller's selected blocking features. If you utilize "Call ID Blocking," your telephone number will NOT be sent to the person you are calling through the NY Relay. Also, if you utilize Call ID blocking and if the person you are calling through NY Relay utilizes "Anonymous Call Rejection," your call will not be accepted by that person.

**Captioned Telephone Service:** A new telecommunication service is now available through the Relay that allows hard of hearing people (individuals that can speak, but who have difficulty hearing or who are deaf) to receive word-for-word captions of their telephone conversations. The captions are displayed on the phone's built-in screen so the user can read the words while listening to the voice of the other party. For more information on Captioned Telephone Service, contact the New York State Relay or online at [www.captionedtelephone.com](http://www.captionedtelephone.com).

**Spanish to Spanish Relay Service:** Spanish speaking and TTY users of the Relay Service may now call 1-877-662-4886 to access

specially trained operators to facilitate calls in Spanish.

**Speech to Speech Relay:** Individuals who are speech disabled may now access specially trained Relay operators to facilitate calls between consumers who are speech disabled and others by dialing 1-800-662-4234.

**Pay Per Call Services:** Relay users who wish to access Pay Per Call services may do so by calling 1-900-230-6565. This number will access a Relay operator to complete the call to the requested Pay Per Call service. Relay users will not incur a charge for the call to the Relay service, but will incur charges from the Pay Per Call provider.

**Turbo Code™:** Relay users who have specially equipped TTY machines now have the ability to transmit TTY text at up to 110 words per minute.

To learn more about the New York Relay and all other services, please call the Relay Inquiry Line at 1-800-676-3777 (Voice & TTY)

The New York Relay Service is provided by DFT Communications in conjunction with all telecommunications carriers in New York State.

**IT'S THE LAW**

**FRAUDULENTLY OBTAINING TELEPHONE SERVICE**

Any person who, with the intent to avoid the payment of the lawful charges therefore, obtains or attempts to obtain any telephone service by charging such service to an existing telephone number or credit card number without the authority of the subscriber thereto or the lawful holder thereof, or to a non-existent, or suspended telephone number or to a non-existent, revoked or cancelled credit card number, or by rearranging, tampering with, or making connection with any facilities or equipment of telephone company, or try to use any other fraudulent means, method, trick or device, is guilty of a misdemeanor.

**UNLAWFUL WIRETAPPING**

Wiretapping or any interception of a telephone call without prior consent is a crime under both federal and state laws. Properly authorized law enforcement officers can engage in interceptions without the consent of either party when proceeding under court orders issued pursuant to applicable provisions of federal law or, as otherwise allowed by law. The penalty for Unlawful Wiretapping may include imprisonment and/or fine.

**RECORDING TELEPHONE CONVERSATIONS**

Customer-provided voice recording equipment may be connected to the user's telecommunications equipment. When such a

connection is made, the customer-provided voice equipment must be arranged so that the user can activate or deactivate the equipment at will. Under both federal and state law, only one party to a telephone conversation must give their consent prior to the recording of the conversation. Wiretapping or any interception of a telephone call without this consent, other than by a properly authorized law enforcement agent, is a crime. Punishment may include imprisonment and/or fine.

## HOW TO HANDLE OBSCENE, HARASSING OR THREATENING CALLS

- Hang up at the first obscene word or if the caller doesn't say anything.
- Give no information such as your name, address or telephone number, until the caller has been identified.
- Advise your children to give no information to strangers.
- After you have received a harassing telephone call, you may trace the caller using the "Call Trace" advanced calling feature as follows:

**Call Trace** - Allows you to trace the last incoming call. To Use Call Trace:

- Immediately after receiving a harassing call, depress the Switchhook to receive a dial tone.
- Press: \* 57 (On a rotary phone, dial 1157)
- You will then hear the recording "The last incoming call has been traced." The subscriber should then write down the date and exact time the call was received.
- Consult with your local law enforcement agency as soon as possible as to how to proceed.
- The call you traced will be logged at the Telephone Company. If you decide to follow up on the matter, we will provide the call trace information to local authorities only.

### Note:

- Call Trace should be used immediately after you hang up on the call you wanted to trace. If you get another call, or hear a Call Waiting tone first, you will trace the wrong call.
- A charge will be added to your monthly telephone bill for each call trace.

It is a crime under the New York State Penal Law for anyone to make obscene or harassing telephone calls, or for anyone knowingly to permit such calls to be made over the telephone. This will include calls in which the caller remains silent as well as those in which the offender is threatening or obscene. Punishment may include imprisonment and/or fine.

## SAFETY

The telephone is one of the safest appliances in your home or office. There are, however, a few situations where a telephone user needs to be cautious.

**Never Use Near Water:** The telephone should not be used while you are in a bathtub, shower or pool. Immersion of the telephone or handset in water would cause an electrical shock.

**Restrict Use During Electrical Storm:** You should avoid using a telephone during an electrical storm in your immediate area; calls of an urgent nature should be brief. Although we use protective measures to limit abnormal electrical surges from entering your home, absolute protection is impossible. There is a remote risk of a dangerous electrical shock from lightning when using the telephone during a nearby electrical storm.

**Never Use The Telephone Near A Gas Leak:** If you think you have found a gas leak, you should not use a telephone in the vicinity of the leak until the leak is repaired. The telephone contains electrical contacts that could generate a tiny spark when you lift the handset and dial. While unlikely, it may be possible for this spark to trigger an explosion if the gas concentration is high enough.

## LOCAL NUMBER PORTABILITY (LNP)

Dunkirk & Fredonia Telephone and Cassadaga Telephone customers are able to "port" or change their service provider from the Dunkirk & Fredonia Telephone and Cassadaga Telephone to a wireline or wireless company without changing their telephone number.

## RIGHTS AND RESPONSIBILITIES

### RESIDENTIAL TELEPHONE CUSTOMER

As a Dunkirk & Fredonia Telephone Company / Cassadaga Telephone Corporation customer, you have certain rights and responsibilities.

These rights and responsibilities result from the New York State Public Service Commission (PSC) Rules Governing Provision of Telephone Service to Residential Customers.

### QUESTIONS OR PROBLEMS

Contact us as soon as possible if you have any questions or complaints about your telephone service. We will try to give you a prompt answer. To get your questions answered fully and as quickly as possible, we suggest you call our Customer Service Center at 716-673-3000. If you prefer, you can write to Dunkirk & Fredonia Telephone Company / Cassadaga Telephone Corporation, P.O. Box 209, Fredonia, NY 14063-0209; or you can e-mail us by going to [www.dftcommunications.com](http://www.dftcommunications.com), select Contact Us, fill in the form and submit. You can also visit our Customer Service Center, 38 Temple Street, Fredonia, NY Monday- Friday, 8:00 AM - 5:00 PM. As with any correspondence, please include your telephone number and as much information about the problem as you can. Whether you phone, write or visit, we will do our best to handle your inquiry promptly and considerately. If, however, you are not satisfied with our representative's response, please ask to speak to a supervisor. If you are still not satisfied, you can call or write the New York State Public Service Commission (PSC) at Three Empire State Plaza, Albany, NY 12223. They have a staff available to give assistance if you request it. The telephone number is 1-800-342-3377 (toll free) between 8:30 AM and 4:00 PM on business days. While your complaint is being considered by the PSC, we will not disconnect your service for failure to pay the amount in question. However, all undisputed bills must be paid when due, to ensure continued service.

### BILLING

DFT Communications enjoys a good relationship with our customers and stands ready to assist customers in making it possible to enjoy telephone service. We have a responsibility to provide reliable telephone service to our customers, and you have a responsibility to pay bills for telecommunications service promptly. Telephone bills are due when rendered and prompt payment is requested. Bills can be paid at The Netsync Store, 38 Temple Street, Fredonia, NY Monday - Friday, 8:00 AM - 5:00PM. For your convenience, we accept payments over the telephone Monday through Friday 8:00 AM to 5:00 PM at 673-3000 or toll free 1-877-653-3100. You can view and pay your DFT Communications bill online at [www.dftcommunications.com](http://www.dftcommunications.com) by clicking My Bill; to obtain a username and password go to [www.dftcommunications.com](http://www.dftcommunications.com). There is a night depository outside of our front door for after-hour payments in Fredonia. Payments sent through the mail should include either a check or money order made payable to our Company. Never send cash through the mail! Third-party checks are not accepted.

### STATEMENT OF NONDISCRIMINATION

The Telephone Company is the recipient of Federal financial assistance from the Rural Utilities Service, an agency of the U.S. Department of Agriculture and is subject to the provisions of Title VI of the Civil Rights Act of 1964, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, the Age Discrimination Act of 1975, as amended, and the rules and regulations of the U.S. Department of Agriculture which provide that no person in the United States be subjected to discrimination under any of this organization's programs or activities. The person responsible for coordinating this organization's nondiscrimination compliance efforts is Mark R. Maytum, President. Any individual, or specific class of individuals, who feels that this organization has subjected them to discrimination may obtain further information about the statutes and regulations listed above from and/or file a written complaint with this organization; or the Secretary, U.S. Department of Agriculture, Washington, D.C. 20250; or the Administrator, Rural Utilities Service, Washington, D.C. 20250. Complaints must be filed within 180 days after the alleged discrimination. Confidentiality will be maintained to the extent possible.

### REGISTER TO VOTE

If you are a new customer or have recently moved, you may need to register in order to vote. You may request a mail-in voter registration form by calling 1-800-FOR-VOTE (1-800-367-8683).

## 716 AND 585 AREA CODE

### 716 Area Code

The 716 area code region includes Niagara, Erie, Chautauqua and Cattaraugus Counties and the Tonawanda and Oil Springs Indian Reservations. It is not necessary to dial an area code for calls within your area code, only the 7 digit phone number.

### REGIONAL CALLING AREA

Buffalo LATA consists of the 716 and 585 Area Codes excluding those areas served by the Rochester Telephone Company and other independent telephone companies in the Rochester area. Rochester

LATA consists of Rochester Telephone's service areas and other independent telephone companies next to the Rochester service area.

## MANDATORY 10-DIGIT DIALING BECOMES EFFECTIVE OCTOBER 24, 2021 FOR 716 AREA CODE

The Federal Communications Commission (FCC) has adopted 988 as a new three-digit number to be used nationwide to reach the National Suicide Prevention and Mental Health Crisis Lifeline, starting July 16, 2022. Customers must continue to dial 1-800-273-TALK to reach the Lifeline until July 16, 2022.

In order for 988 to work in the 716 area code, 10-digit local dialing must first be implemented, so you will need to change the way you dial local calls.

### What will be the new dialing procedure?

To complete all local calls, you will now need to dial area code + telephone number. This applies to all calls within your area code that are currently dialed with seven digits.

### Who will be affected?

Anyone with a telephone number from your area code will need to make this change from 7-digit local dialing to 10-digit local dialing.

### When will the change begin?

Beginning **April 24, 2021**, you should begin dialing 10 digits (area code + telephone number) for all local calls. If you forget and dial just 7 digits, your call will still be completed.

Beginning **October 27, 2021**, you must dial 10-digits (area code + telephone number) for all local calls. On and after this date, local calls dialed with only 7-digits may not be completed, and a recording will inform you that your call cannot be completed as dialed. You must hang up and dial again using the area code and the 7-digit number.

Beginning **July 16, 2022**, dialing "988" will route your call to National Suicide Prevention and Mental Health Crisis Lifeline.

### What will you need to do?

In addition to changing the way you dial local calls, all services, automatic dialing equipment, or other types of equipment that are programmed to complete calls to 7-digit local numbers will need to be reprogrammed to complete calls to 10-digit numbers. Some examples are life safety systems or medical monitoring devices, PBXs, fax machines, Internet dial-up numbers, fire or burglar alarm and security systems or gates, speed dialers, mobile or other wireless phone contact lists, call forwarding settings, voicemail services and other similar functions. Be sure to check your website, personal and business stationery, advertising materials, personal and business checks, contact information, your personal or pet ID tags, and other such items to ensure the area code is included.

### What will remain the same?

- Your telephone number, including current area code, will not change.

- The price of a call, coverage area, or other rates and services will not change due to the dialing change.
- What is a local call now will remain a local call regardless of the number of digits dialed.
- You will continue to dial 1+ area code + telephone number for all long distance calls.
- You can still dial just three digits to reach 711 (relay services) and 911 (emergency services).
- Any 211, 311, 411, 511, 611, or 811 services available in your community can still be reached by dialing their three-digit codes.
- The National Suicide Prevention Lifeline can still be reached by dialing 1-800-273-TALK (8255).

**Who may you contact with questions?**

If you have any questions regarding information provided in this notice, please call **DFT Customer Service at 716-673-3000** or access **www.dftcommunications.com** for more information. You can also visit the FCC website at <https://www.fcc.gov/suicide-prevention-hotline>.

**DIALING INSTRUCTIONS**

**MAKING A LONG DISTANCE CALL**

**Direct Dialed:**

Within the 716 Regional Calling Area..... Telephone Number  
 Within the 585 Regional Calling Area.....1+ 585 + Telephone Number  
 All Other Areas.....1 + Area Code + Telephone Number

**Operator Assisted:**

Within the 716 Regional Calling Area.....0 + 716 + Telephone Number  
 Within the 585 Regional Calling Area.....0 + 585 + Telephone Number  
 All Other Areas.....0 + Area Code + Telephone Number

**Pay Telephone:**

Within the 716 Regional Calling Area.....0 + 716 + Telephone Number  
 Within the 585 Regional Calling Area.....1 + 585 + Telephone Number  
 All Other Areas.....1 + Area Code + Telephone Number

**Toll Free Exchanges:**

800, 855, 866, 877 and 888

**DIRECTORY INFORMATION**

Within the 716 Area.....Dial 411  
 Outside the 716 Area.....1+ Area Code + 555-1212  
 800 Numbers.....1-800-555-1212

For all Directory Information requests, a fee is charged to your telephone bill.

Area Codes for most cities are listed on the following pages for your reference. For cities that are not listed, dial "0" and ask the Operator.

If you have trouble dialing directly, call the Operator and explain the difficulty. The call will be placed for you and will be charged at the direct-dialed rate.

**CREDIT FOR POOR CONNECTIONS OR WRONG NUMBERS**

When you dial long distance and have a poor connection,

reach a wrong number or have other problems, hang up and dial "0" for the Operator right away. Explain what happened so the Operator can determine if a credit will be given. The faster the problem is reported, the easier it will be to give you credit for the call.

**OPERATOR ASSISTED CALLS**

Calls that require special handling cost more than calls you dial yourself. Operator assisted calls include those calls made from hotels, coin telephones, collect calls and third number calls.

**To place an Operator Assisted call:**

Dialing "0" will connect you with a regional toll carrier Operator. Dialing "00" will connect you with a long distance toll carrier Operator.

OR:

**Within the 716 Area, dial:** 0 + 716 + Telephone Number

**Outside the 716 Area, dial:**

0 + The Appropriate Area Code + Telephone Number

**TYPES OF OPERATOR ASSISTED CALLS**

**Collect Calls** - You may call collect if the person or firm you are calling agrees to pay the charges. Dial the call and when the Operator answers, say you are placing a collect call and give your name. The Operator will leave the line when the person you have called accepts the charges. Instructions may vary by carrier.

**Third Number Calls** - You may have long distance charges billed to an authorized third telephone number. Dial the call and when the Operator answers, say you would like to charge your call to a third number and give the operator that number including the area code.

**HELPFUL HINTS**

1. When making a local call, you may hear your called number ringing almost immediately after you finish dialing. The telephone company central office equipment has many functions to perform such as choosing alternate routes, testing, etc. Therefore, the lapsed time before you hear the called telephone ring may vary from 2 to 6 seconds.
2. A fast or slow tone may be encountered at any time while dialing indicating various conditions as follows:
  - Slow busy tone means the called number is busy.
  - Fast busy tone means the local central office equipment is busy or that distant trunk groups are busy.
3. Avoid reaching the wrong number:
  - Do not confuse the letter "O" with the number "0" or the number "1" with the letter "L". This is one of the most common mistakes in dialing long distance calls.
4. Remember, children playing with the telephone can easily make direct dialed long distance calls for which a charge will be made as with any other call.
5. You may be charged for long distance calls to a recording device, such as an answering machine or a voice mailbox.

**USE THIS TABLE AS YOU WOULD A MILEAGE CHART.**

Note:  
 · = Toll call, charges apply

## DIALING INSTRUCTIONS

### Station-to-Station Calls

To dial international calls, dial in sequence:

1. The International Access Code - 011
2. The Country Code - a two - or three - digit number.
3. The City Routing Code-a one-to five-digit number.
4. The local telephone number.

### For example:

To place a call to Frankfurt, Germany, to telephone number 123456, you would dial: 0114969 then number.

### Countries Not Listed:

Dial 00 for the operator and request an International operator who will advise you of the country's correct access code.

### 1 Identification

This information appears on every page of your bill. It includes your name, account number, billing date, payment due date, and a number you may call for inquiries.

### 2 Return Stub

Detach this section at the perforation and return it to our office with your payment. This stub displays information we need to post the payment to your account properly. This includes your name and address, account number, and the amount you owe. There is also space for you to write in the actual amount of your payment (unless the bill will be paid automatically). Our address also appears on this page so that it will show up through the window of your return envelope.

### 3 Last Month

This section contain charges from your previous bill and any adjustments and payments received against those charges since the last billing date.

### 4 This Month

This section lists your current charges by service type and the total amount due.

**Charges for each subscribed service:** The total of monthly charges and other charges and credits for all subscriber services.

**Long Distance Charges:** The total of long distance charges.

**Taxes:** Taxes are listed individually by tax type (State, Local, etc.).

### Questions?

Please contact the Customer Service Department at the number shown on your bill.
